PROFILE

Enthusiastic English language student with web development experience.Eager to improve the brand recognition of Internshala by creating some meaningful projects and webpages which will be useful by the users.

EMPLOYMENT HISTORY

I am completely fresher .This is going to be my first internship .

i have created an amazon clone . And i hope that this internshala platform will be my first training teacher to begin my life as a web developer.

EDUCATION

10th at, Ravenshaw collegiate school---89%, Cuttack
APRIL 2019 — MAY 2020

+2 at, Saraswati sishu vidya mandir----94.8%, Cuttack
JUNE 2020 — APRIL 2022

Btech in computer science at, Konark institute of science and technology, Khurda
OCTOBER 2022 — JUNE 2026

I am very much curious to learn new things in less time. Even though i am currently studying in 2nd year but I have learned a lot of skills and builded so many projects. I secured 9.3 cgpa in my first year.

I was selected in national level western science projects which was held at kolkota. And was applauded by our Honorable **Education minister Dharmendra pradhan.**
